Playing up (guest players for individual games)

- Girls can play on boys teams, Boys cannot play on girls teams
- Both teams are registered with LSC.
- A player must get approval from his/her coach before playing for another team.
- There may not be more than three play-ups in a single game.
- Players cannot play for another team at the same age level and competitive division (play across) as the team on which they are registered. Ex: a 13C102 player cannot play for a 13C101 or vice versa.
- U11 and older players may not play down below the age level to which they are registered even if they would have been age-eligible to register on that team.
- **NO PASS NO PLAY**
- Players should be included on the MYSA Game Report.
- No more than 12 U09 & U10 players, 14 U11 & U12 players, and 18 U13 and above players can be on the roster and play in a single game!
- In-house players may play up on travel teams sponsored by their LSC after obtaining a member pass.

Developmental (U09-U10) Team/Players

Players from U09 and U10 teams may play up from Gold to Maroon.

- All U09 players may play up to U10 teams
- U10 and younger players can play up to U12
- U9 and U10 players may play up for any team for which they are age-eligible as long as that team is within their club and not within the same age level and competitive division as the team to which they are rostered.
- LSC coach must give permission; LSC travel manager must be notified
- Play ups are limited to 3 per game

U11 and Above Team Players

- Premier players can only play for premier players; Classic players can play on a Premier team the same age or older.
- Players on classic teams may play up to an older age level or more competitive division. Examples:
    - 13BC3 Players may play up to a 13BC2 team or a U14C3 team
