#### 2012 Fall Travel Season Team Formation

### Notes:

- 1. U9/10 and 11/12 travel teams will have three Age Group Training nights. LSC age group training will be run by LSC Trainers and fall coaches.
- 2. Any new complete team coming from In-house will be accepted prior to the registration deadline and will be placed at a coach and club selected level.
- 3. U11/12 fall teams will be formed after August evaluations; U9/10 fall teams will be formed immediately after their 2012 spring/summer season ends, around July 25th.
- 4. Any individual player registering to only play fall soccer will be placed into a "draft pool", if there is space available they will be drafted onto a team.
- 5. Teams will be formed based on coaching and player availability. Teams will not be formed without a coach or minimum number of players. Roster vacancies will be filled during the August draft. Rosters will be filled to max limit if needed to accommodate all players as possible.
- 6. Level of play will be determined at the draft meeting with coach and club input.
- 7. Players with duplicate numbers will be dealt with by team coach and manager.

# U9/10 Teams

Maximum of 12 players per team and fee for the fall is \$160/player plus uniform (if needed).

2012 spring/summer U8 teams will play U9 level in the fall. 2012 spring/summer U9 teams will play U10 level in the fall. If at least nine players commit to playing fall soccer from the spring/summer team, the team will stay intact with the same roster from spring summer and same coach. For teams that do not match those criteria, the player(s) will be put in a "draft pool". LSC Age Group Coordinators, Head Trainer and Travel Manager will then determine player placement.

# U11/U12 Teams

Maximum of 14 players per team and fee for the fall is \$180 plus uniform (if needed)

2012 spring/summer U10 teams will play U11 level in the fall and 2012 spring/summer U11 teams will play U12 level in the fall, with club and team-selecting classic 1, 2 or 3. Team formation and coach selection will occur within 72 hours following evaluations. At that time, teams will need to determine fall availability and if the case where teams are short players or not viable, the coaches and club officials will decide how best to proceed.
